About REVA University

REVA University has been established under the REVA University Act, 2012 under the visionary leadership of the founder and honourable Chancellor, Dr. P. Shyama Raju, with the vision to instil awareness, a zeal for higher learning and inquisitiveness in students' minds through education. During this past decade, the University has transformed into a formidable name in higher education and bagged many accolades and ranked as one of the top private universities in India.

The University is situated in a verdant landscape blanketed over 45+ acres of land in north Bangalore, India and has aesthetically designed architecture conducive to inspiring the learners. The University prides itself on being a pioneer in digitally enabling the teaching-learning process and contributing to the holistic development of every student in emerging technologies. Currently, the REVA University offers 80 plus UG, PG and PhD programs in Engineering and Technology, Science, Commerce and Management, Architecture, Law, and Humanities.

Sports and fitness have been key focus areas at the University to inculcate a healthy lifestyle among students and staff. REVA University has state-of-the-art outdoor and indoor sports facilities, including Gymnasium, Badminton, Table Tennis, Volleyball, Basketball, Football and Cricket.

About REVA Academy for Corporate Excellence

REVA Academy for Corporate Excellence (RACE) is an initiative of REVA University, which offers a range of specialised, techno-functional programs custom-designed to suit the needs of working professionals to enhance their careers. Each program is planned, designed, and delivered by renowned corporate trainers and industry leaders with years of experience. Our programs follow a blended learning model with flexible contact classes and a robust online learning management system with 24/7 support. The programs are certified by AICTE/UGC and various industry partners. Our current focus areas are Analytics, Cybersecurity, Artificial Intelligence and Cloud Architecture and Security. Our cohorts have a minimum of 4 years and a maximum of 25 years of work experience and come from 100-plus marquee organisations. To find more details on RACE programs, check here.
