# ILLUMINATING EXCELLENCE

## Elevate the RCL Finals & Semis with Floodlights

**Stadium Ambiance**  
A unique atmosphere that enhances the overall experience for players and spectators.

**Prime Time Exposure**  
Attract larger audiences with evening matches under floodlights for prime-time brand exposure.

**High-Resolution Coverage**  
Floodlighting ensures well-lit media coverage, amplifying sponsor visibility.

**Sponsor Recognition**  
Highlight sponsor logos prominently under the floodlights to maximize brand exposure.

**Live Broadcast\***  
Engage the audience with live broadcast & commentary, providing extended brand exposure.

**1000+ Audience:** Attract a diverse crowd of corporate professionals and students

**Pendleton Ground and REVA Ground**  
Rejoice an authentic cricket experience.

# WHY SPONSOR?

Smash it by sponsoring the most exciting cricket extravaganza in Namma Bengaluru!  
Generate tons of publicity and goodwill among corporate and student communities in one go.

## Massive Visibility:

Sponsors gain extensive visibility with their logos featured on player jerseys, caps, and prominent perimeter boards. Plus, they enjoy free team entry, and co-branding in all communications, with banners at the venue and exhibition platform.

## Networking Opportunities:

Sponsors have the chance to network with corporate professionals and students during the event, fostering valuable connections for potential collaborations and business growth.

## Media Coverage:

Sponsors benefit from extensive media coverage, including radio broadcasts and promotional videos on websites and social media, ensuring their brand reaches a wide and diverse audience.

## Community Engagement:

By sponsoring, companies demonstrate their commitment to community engagement. Their participation enhances the event's positive impact on the local community.

## Brand Activation Opportunities:

Sponsors can activate their brand with a 10x10 canopy stall on all event days, allowing direct interaction with attendees and creating memorable brand experiences.

## Post-Event Exposure:

The benefits of sponsorship extend beyond the event, with sponsors' logos prominently displayed at awards backdrops, ensuring continued recognition and appreciation.

## Exclusive Sponsorship Categories:

To maximize exclusivity and impact, sponsors can secure exclusive sponsorship categories, further elevating their brand's visibility and recognition.

## About REVA University

REVA University has been established under the REVA University Act, 2012 under the visionary leadership of the founder and honourable Chancellor, Dr. P. Shyama Raju, with the vision to instil awareness, a zeal for higher learning and inquisitiveness in students' minds through education. During this past decade, the University has transformed into a formidable name in higher education and bagged many accolades and ranked as one of the top private universities in India.

The University is situated in a verdant landscape blanketed over 45+ acres of land in north Bangalore, India and has aesthetically designed architecture conducive to inspiring the learners. The University prides itself on being a pioneer in digitally enabling the teaching-learning process and contributing to the holistic development of every student in emerging technologies. Currently, the REVA University offers 80 plus UG, PG and PhD programs in Engineering and Technology, Science, Commerce and Management, Architecture, Law, and Humanities.

Sports and fitness have been key focus areas at the University to inculcate a healthy lifestyle among students and staff. REVA University has state-of-the-art outdoor and indoor sports facilities, including Gymnasium, Badminton, Table Tennis, Volleyball, Basketball, Football and Cricket.

## About REVA Academy for Corporate Excellence

REVA Academy for Corporate Excellence (RACE) is an initiative of REVA University, which offers a range of specialised, techno-functional programs custom-designed to suit the needs of working professionals to enhance their careers. Each program is planned, designed, and delivered by renowned corporate trainers and industry leaders with years of experience. Our programs follow a blended learning model with flexible contact classes and a robust online learning management system with 24/7 support. The programs are certified by AICTE/UGC and various industry partners. Our current focus areas are Analytics, Cybersecurity, Artificial Intelligence and Cloud Architecture and Security. Our cohorts have a minimum of 4 years and a maximum of 25 years of work experience and come from 100-plus marquee organisations. To find more details on RACE programs, check here.
